

Linda L. Dahlmeier

Occupation: Incumbent

Age: 57

I am privileged to serve as your Mayor and with your support I will be honored to continue.

I started with a vision of moving forward with a positive approach and have seen the success of an improved outlook throughout our community. As an active leader, I have built new relationships with many community partners both public and private and I will continue to look for new ideas to move our community in the direction we deserve.

With over 20 years' experience in economic development, I dedicated my first term to bringing new businesses to Oroville and will continue to do so. I will concentrate on bringing more businesses that will bring more jobs. Real jobs! I am also deeply involved in our local water issues and will continue to do whatever it takes to get what has been promised to our community.

Equally important are our children. I will support our local schools to develop new and innovative educational and community partnerships so every child has the opportunity to succeed. I will continue my "two nice things" campaign and wholeheartedly support www.thebullyproject.com.

I am available anytime and can be reached at 530.519.1117 or oroville.mayor@gmail.com
