

Will Ferrer-Pagarigan

Business Analyst

Age: 41

My executive capabilities started with being class council president of my high school. Today, I am the founder of two organizations and an active member of my child's school's parent organizations. In total, I have over twenty-five years of leadership experience.

I am a proud Navy Veteran who served during Operation Iraqi Freedom. I am past Ambassador of the Oroville Chamber of Commerce. I am the Founder and President of the Filipino Americans of Oroville and CEO of Willfoundation.us which focuses on providing scholarships, charity and leadership development to underprivileged youth. I served as PTO President for Plumas Avenue and Ophir Elementary Schools and am currently an Advisory Council member of St. Thomas School.

I am married to Roselie Redaja-Pagarigan, Board Member of the Oroville City Elementary School District and we are blessed with an amazing son. My credentials include a Master of Health Administration and a Doctorate in Business Administration.

My campaign represents a commitment to Oroville's Beautification, Employment, Education, and Sports/athletics programs. The City of Gold has a lot of potential to offer that will inspire the fresh ideas I plan to bring to the council as your dedicated public servant. Thank you for your vote.
