The return of the Salmon Sculptures!

The beautiful metal salmon sculptures that local artist Steve Nielsen did for the Montgomery Street & Hwy 70 underpass have now found a permanent and prominent home!

Six of the sculptures had been removed by the City in

March 2015 after one of them was stolen. They were part of the California Department of Transportation Landscape Improvement Grant that the City had received in 2011 as part of improvements to the entry to the City. A series of meetings with the artist and representatives of the City and City Council provided the recommendation and approval to have them installed at the front of the Municipal

Auditorium.

Local artist, Ted Hanson owner of Brushstrokes Gallery stepped forward and volunteered to paint an artistic background reminiscent of waves that will help showcase the sculptures. Additionally they will have LED lighting from dusk until dawn.

The re-installed salmon made their debut just before this year's Salmon Festival.

“A picture is worth a thousand words” can be traced back to Napoleon Bonaparte (1769-1821) and is an idiom which means one, or more pictures, can describe something better than a lot of words. On this page we present the colors of Fall in and around the City of Oroville.

From the desk of the Mayor ...

The 23rd Annual Salmon Festival a great one day event in the Historic Downtown, on the levee and at the Feather River Fish Hatchery. Time to greet old friends, make new friends and discover what your downtown has to offer. The committee has been working on the final touches after planning activities that have taken the better part of a year.

Fall is an incredible time of the year especially after the blistering summer heat wave we've all had to deal with. Enjoy the cool breezes, the absolute beauty of the changing of the leaves which are a real color explosion. Wishing you and yours a great upcoming holiday season and asking that you always consider shopping local, be it in the Historic District, on the Boulevard or at the new Walmart Super Center.

As always, your comments are welcome and as a reminder City Council Meetings are on the first and third Tuesday of every month starting at:

5:30 P.M. (closed session) 6:30 P.M. (open session)

Thank you for being part of Oroville!

How can I help?

A question that we hear often is "how can I help" Volunteers are always needed for the many events in our town. Also both the City & Feather River Recreation & Park District (FRRPD) welcome volunteers. The VIP program at the Oroville Police Department continues to seek people that are especially interested in public safety. Oroville's fine museums also are in need of Docents!

Mayor Linda Dahlmeier & the crew from Northwest Linemans College at the recent Feather River clean-up day ...

Volunteers in action...thanks!
