Shown On ALP	Project Type*	Project Description	Federal Share	Local Share	Total	
Yes	D	Pavement Maintenance Management Plan (PMMP)	108,000	12,000	120,000	
* D - Development; P - Planning; E - Environmental						
<b>PROVIDE THE FOLLOWING DETAILED INFORMATION FOR PROJECTS ANTICIPATED WITHIN 1-2 YEARS</b>						
Detail Project Description (Square/Lineal Footage or Length/Width)						
Pavement Maintenance Management Plan (PMMP) - A PMMP is necessary for the Sponsor to plan all pavement rehabilitation or maintenance projects required at the airport. A comprehensive PMMP is proposed including pavement condition surveys to determine PCI and non-destructive load tests to determine deep-seated distress and remaining pavement life.						
Project Schedule ( <b>Anticipated date for bids or negotiated prices, consultant selection for planning or environmental projects, length of construction or design, planning or environmental process</b> )						
Pavement Maintenance Management Plan (PMMP) - A PMMP is scheduled for 2020. Time of completion: 1 year.						
NEPA Environmental Status (With grant application include copy of ROD, FONSI or CATEX letter of approval)						
N/A						
Land Title Status & Date of Exhibit "A" Status			Date			
Title, in fee, to all land as shown on Exhibit "A," Property Map, dated 4-16-13.						
Open AIP Funded Projects ( <b>include grant number and grant description</b> )				Expected Close-out Date		
AIP 23 - Construct Taxiway K				January 2020		
Certification: To the best of my knowledge and belief, all information shown in the ACIP Data Sheet is true and correct and had been duly authorized by the Sponsor.

<b>PROVIDE THE FOLLOWING DETAILED INFORMATION FOR PROJECTS ANTICIPATED WITHIN 1-2 YEARS</b>						
Detail Project Description (Square/Lineal Footage or Length/Width)						
Design/Construct: Crack Seal Runway, Taxiway, Apron, and Taxilanes - It is anticipated that by 2021 shrinkage cracks will develop in the pavements of the runways, taxiways, and apron. To protect underlying aggregate base course and subgrade from damage due to water infiltration these cracks will be sealed.						
Project Schedule (Anticipated date for bids or negotiated prices, consultant selection for planning or environmental projects, length of construction or design, planning or environmental process)						
Design/Construct: Crack Seal Runway, Taxiway, Apron, and Taxilanes - The engineering design and construction of this project will be completed in 2021. Design time: 4 months. Bids will be opened by 5-1-2021. Construction time: 2 months						
NEPA Environmental Status (With grant application include copy of ROD, FONSI or CATEX letter of approval)						
Crack Seal Runway, Taxiway, Apron, and Taxilanes - A Cat Ex for this project was submitted and approved in 2018.

* D - Development; P - Planning; E - Environmental					
<b>PROVIDE THE FOLLOWING DETAILED INFORMATION FOR PROJECTS ANTICIPATED WITHIN 1-2 YEARS</b>					
<b>Detail Project Description (Square/Lineal Footage or Length/Width)</b>					
Construct: Reconstruct and Realign T/W S and Apron - Taxiway - 25' x 640'; Apron - 25,100 sq. ft. - FAA standards do not allow direct access from an apron to a runway. Taxiway S and the apron will be upgraded to relocate Taxiway S so there is no direct access to the runway. Design: Construct New Above Ground Fuel Farm Facility South Side *These projects will be included in the 2022 ALP Update.					
<b>Project Schedule (Anticipated date for bids or negotiated prices, consultant selection for planning or environmental projects, length of construction or design, planning or environmental process)</b>					
Construct: Reconstruct and Realign T/W S and Apron - The engineering design of this project will be completed in 2024. Bids will be received prior to 5-1-25. Construction Time: 3 months Design: Construct New Above Ground Fuel Farm Facility South Side - Completed in 2025. Design time: 6 months					
<b>NEPA Environmental Status (With grant application include copy of ROD, FONSI or CATEX letter of approval)</b>					
Construct: Reconstruct and Realign T/W S and Apron - A Cat Ex will be submitted for this project in 2023 Design: Construct New Above Ground Fuel Farm Facility South Side - Cat Ex will be submitted in 2024.
