On-street hourly parking is enforced Monday through Saturday between 9:00 a.m. and 6:00 p.m. and is generally limited to 2 hours. This parking limit is not enforced on Sundays and legal holidays. All-day parking is permitted in certain portions of city parking lots.

**PARKING ENFORCEMENT**  
The Oroville Police Department enforces parking restrictions in the downtown area to help ensure convenient parking is available for all our downtown visitors. Violations of these restrictions will result in a citation.
