COMMERCIAL
 Recycling, Compost &
 Garbage Services

Recycle

Recycling service is provided at no additional charge. By recycling more and reducing your garbage, it's possible to lower your garbage service level – resulting in cost savings.

California State Law (SB) 1383 requires all commercial properties that generate solid waste per week to enroll in recycling service.

Unsoiled Cardboard, Paper, Newspaper, Magazines, Mail, Cartons

Garbage

The best and highest use of some items has not yet been determined. These items should be placed in your garbage cart or bin.

California law prohibits the disposal of hazardous waste in landfills. Please do not place hazardous waste in your garbage cart or bin, as it may harm human health and the environment.
