Optional: This runs a macro which checks to ensure all required fields are filled out. The macro will create two files saved in the same directory this APR file is saved in. One file will be a copy of the APR with highlighted cells which require information. The other file will be list of the problematic cells, along with a description of the nature of the error.

Optional: Save before running. This copies data on Table A2, and creates another workbook with the table split across 4 tabs, each of which can fit onto a single page for easier printing. Running this macro will remove the comments on the column headers, which contain the instructions. Do not save the APR file after running in order to preserve comments once it is reopened.

Optional: This macro identifies dates entered that occurred outside of the reporting year. RHNA credit is only given for building permits issued during the reporting year.

Table D			
Program Implementation Status pursuant to GC Section 65583			
Housing Programs Progress Report			
Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.			
1	2	3	4
Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
Policy 1.1 Encourage Home Ownership	Action 1.1.1: Provide homebuyer and first-time homebuyer assistance up to \$100,000 or 45% of the purchase price of the home; whichever is less. The maximum purchase price allowed is \$200,000; for each qualified household, with a goal of assisting five units per year. However, these terms are subject to change with program guideline chnages and a city council action item.	Application to be made annually, subject to the State application cycle.	The City currently has \$1,000,000 in 2018 HOME funds, \$1,000,000 in 2019 HOME funds that State HOME program put a hold on all expenditures for all jurisdictions. City recently received a 1-year extension for the 2018 HOME funds that expired in February 2023 and now expires February 2024. These funds were never released in the 22/23 fiscal year. City recieved \$1,000,000 in 2020 CDBG NOFA and has expended 100% of it. The 2023 was never release from programs and CDBG expects to release the 2024 NOFA is expected to be released in the summer or fall of 2024.
Policy 1.2 Work cooperatively with other governmental entities to reduce homelessness and facilitate the provision of shelter and services for those in need.	Action 1.2.1: Continue to work with the Butte County Homeless Coalition Continuum of Care Coalition to reduce the number of homeless individuals in the area.	Throughout the planning period.	City Council has a member and alternate member on the Butte County CoC which meets at a minimum monthly to further CoC objectives that are then brought back to the city council and city staff to consider. City has been awarded \$2,733,374 in 2022 Encampment Resolution Funding to partner with the Oroville Rescue Mission to create a pallet shelter for the unhoused in the City limits. There will be pallet shelters that can house up to two individuals and congregate shelter that will house up to 40. Various services will also be provided. Staff intends to apply for round ERF 2 funding.

<p>Policy 1.2 Work cooperatively with other governmental entities to reduce homelessness and facilitate the provision of shelter and services for those in need.</p>	<p>Action 1.2.2: Ensure that City zoning regulations for emergency shelters, transitional and supportive housing, and Single Room Occupancy (SRO) housing facilitate these uses consistent with state law, and provide assistance with grant applications for the development of new facilities to serve the homeless.</p>	<p>Continue to assist sponsors with applications for special needs housing on a project-by-project basis throughout the planning period.</p>	<p>On May 6, 2014, the City Council adopted Ordinance No. 1804 to amend the City's Zoning Code for fulfilling objects as specified in the 2009-2014 Housing Element of the General Plan. The ordinance included regulations for emergency shelters, transitional and supportive housing, and SRO's to ensure consistency with state law. The City's temporary ordinance allowing RVs and mobile homes on residential lots to alleviate the acute housing shortage caused by the Paradise Camp Fire has sunsetted.</p>
<p>Policy 1.2 Work cooperatively with other governmental entities to reduce homelessness and facilitate the provision of shelter and services for those in need.</p>	<p>Action 1.2.3: Maintain and publicize a comprehensive listing of housing developments that serve low-income households, persons with disabilities, and other special needs populations.</p>	<p>The City provides updated lists to public entities and special service organizations annually and as requested. Additionally, the list is updated and posted on the City's website and shared with the Butte County Housing Authority as changes occur.</p>	<p>There is an updated list of affordable housing projects on the City's website under Services/Housing Development/Affordable Housing in Oroville.</p>
<p>Policy 1.3: Continue to facilitate the provision for housing for persons with disabilities and for persons with limited or restricted mobility to enhance accessibility and mobility.</p>	<p>Action 1.3.1: In accordance with the requirements of SB 520, the City will continue to allow for administrative approval of exceptions in land use regulations to provide reasonable accommodations for housing for persons with disabilities.</p>	<p>Continue to process requests for reasonable accommodation expeditiously throughout the planning period.</p>	<p>Ordinance No. 1804 also created an administrative mechanism for a disabled person to file a request for reasonable accommodation to make specific housing available to one or more individuals protected under the Fair Housing Laws. See OMC 17.08.160</p>
<p>Policy 1.4: Facilitate the production of farmworker housing in the City.</p>	<p>Action 1.4.1: Continue to ensure that local zoning, development standards, and permit processing procedures for farmworker housing do not conflict with Health and Safety Code Sections 17021.5 and 17021.6.</p>	<p>Throughout the planning period.</p>	<p>Ordinance No. 1804 also included provisions to allow farmworker and migrant housing consistent with Health and Safety Code Section 17021.6. The City will work with the Housing Authority of Butte County to determine if Farmworker housing is needed in the City of Oroville jurisdiction.</p>

<p>Policy 2.1: Minimize constraints to the development of affordable housing through supportive codes, ordinances, policies, and guidelines.</p>	<p>Action 2.1.1: Continue to monitor the development review process to ensure that the City's review and approval (timing and cost) do not constrain residential development including multi-family and housing affordable to low- and moderate- income households. If the City's review and approval processes are found to unreasonably constrain development, the City will take action to amend the process or establish guidelines and other mechanisms to promote increased application certainty and reduce processing time to the extent feasible.</p>	<p>Annual review as part of the Housing Element Annual Report.</p>	<p>The City offers concurrent processing to streamline the development process and the zoning ordinance provides development incentives for low income housing including fast-track processing and density bonuses. Pre-application / development review meetings help to minimize processing times by bringing all applicable agencies/City departments to one meeting to discuss a project, giving developers all information upfront to ensure a successful project completion. This process has worked successfully during the last 2 years as the city has approved about 800 low income housing units during that time.</p>
<p>Policy 2.1: Minimize constraints to the development of affordable housing through supportive codes, ordinances, policies, and guidelines.</p>	<p>Action 2.1.2: Track Housing Element implementation progress as part of the annual housing report submitted to the State Department of Housing and Community Development (HCD).</p>	<p>Submit update annually in accordance with state law.</p>	<p>In compliance.</p>
<p>Policy 2.1: Minimize constraints to the development of affordable housing through supportive codes, ordinances, policies, and guidelines.</p>	<p>Action 2.1.3: Periodically survey development application, plan check and inspection fees, impact fees and utility connection fees of other cities in the Butte County area to ensure that these City fees are reasonably related to the cost of services provided.</p>	<p>Fee surveys every two years.</p>	<p>On April 21, 2015 the City Council adopted Resolution No. 8353 updating its development impact fees in accordance with the findings of the City of Oroville Development Impact Fee Report completed by Willdan Financial Services on April 16, 2015. On June 7, 2016, the City Council updated the Community Development Department's portion of the City's Master Fee Schedule to adjust for inflation using the annual percentage change in Consumer Price Index. The development impact fees are currently in the process of being updated, and the City's Master Fee Schedule was last updated on June 2, 2021. The City Council adopted Ordinance No. 1843 on June 2, 2020 establishing a fee deferral program.</p>

<p>Policy 3.1: Ensure that the City's inventory of residentially-zoned land is sufficient to accommodate development for all housing types and income levels commensurate with growth needs and the the Regional Housing Needs Assessment (RHNA).</p>	<p>Action 3.1.1: Perform regular updates to the City's GIS system to track development and maintain an accurate list of vacant residential land in the City.</p>	<p>Annual updates</p>	<p>The City regularly maintains a list of vacant lands that are shared with the development community and updated by GIS Staff.</p>
<p>Policy 3.1: Ensure that the City's inventory of residentially-zoned land is sufficient to accommodate development for all housing types and income levels commensurate with growth needs and the the Regional Housing Needs Assessment (RHNA).</p>	<p>Action 3.1.2: Continue to implement the no net loss provisions of AB 2292 to ensure the availability of adequate sites to accommodate the City's share of regional housing needs throughout the planning period.</p>	<p>Ongoing throughout the planning period.</p>	<p>On March 15, 2015, the City Council adopted an update to the City's zoning code and map which rezones many properties to coincide with the General Plan land use designations approved by the City in 2009. Many properties previously zoned for strictly commercial purposes now permit multi-family, high-density residential development.</p>
<p>Policy 3.1: Ensure that the City's inventory of residentially-zoned land is sufficient to accommodate development for all housing types and income levels commensurate with growth needs and the the Regional Housing Needs Assessment (RHNA).</p>	<p>Action 3.1.3: Coordinate an annual workshop with the Oroville Economic Development Corporation and its members to identify the housing needs of employees in the community in order to ensure that the City's land use plans support development of housing suitable for the local workforce as part of the City's overall economic development program.</p>	<p>Annual workshops throughout the planning period.</p>	<p>The City attended this year but was not a sponsor.</p>

<p>Policy 3.2: Provide technical assistance to developers, nonprofit organizations, or other qualified private sector interests in seeking federal and state financing for affordable housing, including units affordable to extremely low income households and supportive housing for persons with developmental disabilities.</p>	<p>Action 3.2.1: The City will actively work with interested developers to identify sources of funding and provide technical assistance in seeking funding for the construction of new affordable multi-family housing, including units for large family households, extremely-low-income households, and persons with developmental disabilities. Funding to be pursued includes tax-exempt mortgage revenue bonds; HCD's Multifamily Housing Program; and low-income housing tax credits (LIHTC). The City shall also assist by providing letters of support for funding applications during the application process to increase the chances of a project receiving a funding award.</p>	<p>Monitor grant funding opportunities annually, provide assistance to affordable housing developers upon request, and continue to notify developers of funding opportunities as they arise throughout the planning period.</p>	<p>The City continues to work with the Veteran Housing Development Corporation to develop a supportive housing, multifamily project for low-income, 60% and below AMI Veterans. Also, the City has donated land to the Veterans Housing Development Corporation in order for them to build 12 townhomes to sell to income qualified Veterans. City intends to surplus land on 1275 Mitchell to transfer the land to VHDC to develop multifamily apartments for extremely low income veterans. City approved a predevelopment and construction loan in the amount of \$1,750,000 for this project. VHDC intends to apply for additional grant funding during 2024. City worked with developers, who applied and were awarded tax credits for 5 affordable, multi-family projects and are in the process of building 312 low-very low income units to Oroville over the next two years, many of which are now occupied.</p>
<p>Policy 4.1: Protect existing residential neighborhoods from deterioration and encroachment of incompatible or potentially disruptive land uses and/or activities.</p>	<p>Action 4.1.1: Seek code enforcement grants to augment current code enforcement activities to supplement the graffiti removal program, to fund neighborhood clean-up fairs, and general code enforcement and community beautification efforts. Utilize neighborhood resources, including neighborhood groups to supplement City code enforcement activities. Where possible, link code enforcement activities to available funding for improvements and correction of violations.</p>	<p>Throughout the planning period.</p>	<p>The City created a new Code Enforcement Division that will be proactive in identifying code related issues, citing and enforcing codes. Major infrastructure improvements to sewer, storm water, and roads are based on condition, demands, and future needs. Impact fees are used to make the infrastructure investments to support growth, infill, and desiccation. In circumstances where it is financially feasible, the City will foreclose on properties that are in default to take back to either sell at market rate or rehab and sell to low income. The housing stock that the city has accumulated by Foreclosure have been approved for transfer to the Veterans Housing Development Corp in order for them to sell to low and extremely low income veterans.</p>
<p>Policy 4.3: Facilitate housing rehabilitation and stabilize existing neighborhoods, particularly those with high foreclosure and vacancy rates.</p>	<p>Action 4.3.2: The City shall continue to support the Owner Occupied Single Family Rehabilitation Program. The City expects to fund the rehabilitation of approximately 5 units over the next planning period.</p>	<p>Continuous and ongoing.</p>	<p>The City has been awarded 2020 CDBG Owner-occupied Rehab funding.
